Subject: Consultant Change-of-Service Notification

Dear Mr. Faryan:

At the request of ExxonMobil, this letter formally introduces U.S. EPA Region 5 to AMEC Environment & Infrastructure Inc. (AMEC), and in particular, our role in acting as ExxonMobil's consultant for the project identified as:

Former ExxonMobil Bulk Storage Facility
East Chicago, IN

The above-mentioned project was managed by Parsons Engineering and was officially transferred by ExxonMobil to AMEC as of August 1, 2013. The project will be managed out of our Lisle, IL office located at:

AMEC Environment & Infrastructure
650 Warrenville Road: Suite 100
Lisle, IL 60532
Project Manager: Tony Dappas
Phone: Direct @ 630-724-8526
e-mail: tony.dappas@amec.com

We are also currently preparing the 3rd Quarter Progress report (July – September 2013) for the East Chicago facility and you should receive this report within the next week. In the interim, if there are any questions or concerns, please feel free to contact Mike Holland with ExxonMobil at 815-521-7664 or myself at 630-724-8526, or by email at tony.dappas@amec.com.

Respectfully submitted:

Tony Dappas, P.G.
Senior 2 Project Manager

Cc: Mike Holland: ExxonMobil
